

Volunteer Screening Questionnaire

Safety of all of our volunteers and the community is the highest priority for Focus on the Forest. Please read through the following questions and let us know if you are able to answer “yes” to any of them:

Do you have any physical limitations or pre-existing conditions that would be adversely affected by, or exacerbated by, the work you are volunteering to do?

Is there any reason you cannot physically perform this work?

Have you, or someone living in your household, been diagnosed with COVID-19?

Have you, or someone living in your household, been in close or frequent contact with someone who has been diagnosed with COVID-19?

Has someone you are caring for been diagnosed with COVID-19, or been in contact with a confirmed case of COVID-19?

In the last 14 days, have you or someone living in your household been in close or frequent contact with someone who returned from or made a travel connection through a foreign CDC Level 2 or Level 3 country or State Department Level 3 or Level 4 country, for example, China, Korea, Japan, the European Union, Iran?

In the last 14 days has someone you are caring for returned from, or made a travel connection, through a foreign CDC Level 2 or Level 3 country or State Department Level 3 or Level 4 country, for example, China, Korea, Japan, the European Union, Iran?

Do you currently have, or have you had within the last 24 hours, any cold or flu symptoms, including a fever greater than 100.4 degrees, shortness of breath, body aches and coughing?

If you are from out of state did you quarantine for less than 14 days?

If you can answer yes to any of these questions please let us know and we will reschedule you for another cleanup.
